Füd Court Launches Web Site Targeted at People Who Eat

San Francisco, CA (PRNewswire, May 12, 2000) - Three men who eat today unveiled a Web site devoted to food -- or Füd, as they call it. The founders, self-appointed judges despite no history of legal practice, began eating together approximately six months ago. At some point -- in mid-bite, perhaps -- the idea for a more formal identity arose, and the Füd Court (Nasdaq: FDCT) was born. Soon after, judges McClure, Turner, and Vardigan schemed to take their club into the wild environs of the World Wide Web. After months of espionage, Turner secured the high-profile domain -- www.fudcourt.com -- and the three were poised to chew out an online-dining niche...
